

# Tallahassee Classical School

Please note, when a brand is specified, the brands DO matter; they are either better quality or truer color. Restock items for your child(ren) as needed during the year. Supplies may be collected by the teacher and held for later use during the school year.

Every student, regardless of grade, is responsible for purchasing the following items:

- Solid colored backpack (no wheels) labeled with first and last name.
- Water bottle, also labeled with first and last name.

## **Wishlist**

*If you can purchase a few of these items, it would be appreciated. We do not need every student to buy every one of these items, but these are still necessary supplies. Please keep Scholar Support Services (ESE) in mind when purchasing from the wish list or supplies.*
