  - II. **New Business:**
    - A. **Principal Updates**
      1. Emergency meeting was called for the Chair to update the Board about Hillsdale's principal approval process that was not made previously aware to anyone on the board which can significantly affect decision making.
      2. Board Chair has had many conversations with Hillsdale during the day to clear up the confusion and insist that Hillsdale interview all the candidates.
      3. After submission of the principal candidates, we were informed that Hillsdale may not be able to interview all of the candidates.
      4. Mr. Mohler was notified by Dr. Brake that he had already received an email to schedule an interview without any Board member's knowledge
      5. It was debated whether this was a simple clerical error versus an underhanded attempt to swing the principal candidate a certain direction
