## **2022-23** **School Supply List**

Please note, when a brand is specified, the brands DO matter; they are either quality or truer color. Restock items for your child(ren) as needed during the year. Supplies may be collected by the teacher and held for later use during the school year.

Every student, regardless of grade, is responsible for purchasing the following items:

- Backpack (no wheels) labeled with first and last name. Full size backpacks that will fit binders. Backpacks and lunch bags (if your child is bringing their lunch) may have flowers, geometric shapes, and lines without sayings. The color can be any color except neon colors or shiny gold and silver. They can not have characters, superheroes, embellishments, or sayings. Brand logos are permitted as long as they are no larger than a credit card.
- Water bottle (spill-proof), labeled with first and last name. Water bottles can be any color except neon colors. They can not have any characters or sayings.

### **Wishlist for 1st-10th Grade**

If you can purchase a few of these items, it would be appreciated. We do not need every scholar to buy every one of these items, but these are still necessary supplies. Please keep Scholar Support Services (ESE) in mind when purchasing from the wishlist or supplies.
