Summer Reading Book Assignment

Fourth Grade

Hello!

Welcome to Fourth Grade! Your team of teachers hopes you are having a wonderful summer! We are so excited to see you in the fall! It's going to be a really fun year with a lot of growth.

Please read at least two books from the list below with your child over the summer. On August 16th scholars should be prepared to share the information about one of the books in their book report. This is a great way to start our year off excited about books and it is a fun way to get students comfortable talking in front of the class. Please have your scholar fill out this sheet or create a visual presentation that includes the information below to the best of their ability about one of the books they have read. Visual presentations can include posterboards, dioramas or another type of craft. You should be able to use your visual presentation to help you tell your classmates about your book. Only one report is necessary. We will use this to see how we need to help them this year with their penmanship.
